Call for Senior Clinician-Educator-Researcher to Join MPO Program Faculty

Northwestern University’s Prosthetics-Orthotics Center (NUPOC) invites individuals with a passion for clinical teaching and research to consider joining our faculty as a permanent, full-time Associate Professor within the Feinberg School of Medicine. Salary will be commensurate with experience. Ideal candidates will be ABC Certified Prosthetist-Orthotists (or have an equivalent ISPO-recognized Category I credential) who have earned an advanced degree at the Doctoral level with at least 8 years of clinical, teaching and research experience in the field and demonstrated skill in programmatic leadership. Primary responsibilities will include: mentoring graduate and post-graduate students on research projects; lecturing; demonstrating clinical techniques; supervising student management and fitting of patient models; creating selected presentations for our Masters in Prosthetics-Orthotics (MPO) program; conducting clinically relevant research; preparation & submission of manuscripts for publication in scientific journals and participation in grant submission activities.

Excellent verbal and written communication skills are essential, along with in depth knowledge of contemporary P&O practice. Qualified candidates with additional clinical credentials in a closely related field, such as physical or occupational therapy, are encouraged to apply.

NUPOC faculty members are encouraged to remain actively involved in clinical care. Up to 20% release time from teaching and research responsibilities can be arranged to enable well-qualified individuals to enhance their clinical skills.

Strong candidates who do not currently possess all desired qualifications will be considered and, if selected, required to earn the appropriate credential within a reasonable period of time, consistent with their teaching and research duties. Northwestern University offers a tuition grant to faculty who are advancing their academic education.

Northwestern provides a generous benefit package including life, health & dental insurance; multiple tax-deferred retirement programs with a University contribution; and paid holiday, personal & vacation days. Initial salary will be commensurate with the ability and qualifications of the selected candidate.

If you would like to live and work in one of America’s most vibrant lakefront urban regions, joining a solid team of experienced teachers and researchers in our award-winning facilities, please forward a Curriculum Vitae and cover letter explaining your strengths and interests to:

NUPOC Teaching Faculty Search Committee
680 North Lake Shore Drive, Suite 1100
Chicago, Illinois  60611
NUPOC@Northwestern.edu

To ensure full consideration, applications must be received by August 1, 2016; proposed start date for this position is September 1, 2016.

Northwestern University Feinberg School of Medicine is an Equal Opportunity, Affirmative Action employer of all protected classes, including veterans and individuals with disabilities. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.
