

# Prosthetic Management for Therapy Professionals

October 6-8, 2025

Prosthetic Management for Therapy Professionals is a comprehensive three day course that covers the essential knowledge and skills needed to collaborate with an inter-professional clinical team providing prosthetic care. Engaging lectures and interactive clinical experiences featuring actual patients provide an intensive review of patient assessment, biomechanics, prosthetic prescription development, and essential therapy techniques needed to treat patients who require upper and lower limb prosthetic care. Our distinguished course faculty is comprised of board-certified physicians, physical/occupational therapists, engineers, and prosthetists/orthotists engaged in education, clinical practice, and research.

Venue:  
680 N. Lake Shore Dr.  
Suite 1100  
Chicago, IL 60611

Registration Fee: \$850
