

Job Description

Job Details

Job Title	Clinician-Educator, NU Prosthetics and Orthotics MPO Program	Job ID	34187
Location	Chicago, Illinois		
Department	MED-Physical Med & Rehab		

The Department of Physical Medicine and Rehabilitation's Northwestern University Prosthetics and Orthotics Center (NUPOC) at Northwestern University Feinberg School of Medicine seeks a full-time non-tenure-eligible Clinician-Educator at the rank of Lecturer, Instructor or Assistant Professor. Responsibilities include lecturing, demonstrating clinical methods, supervising student management and fitting of patient models, and creating selected presentations for our Master's in Prosthetics-Orthotics (MPO) Program. Online teaching responsibilities within our Blended Learning curriculum are also required.

Qualified candidates will be an ABC Certified Prosthetist-Orthotist (CPO), or have an equivalent ISPO-recognized Category I PO credential, with at least 5 years of clinical, teaching and/or research experience in the field. A master's degree or higher is preferred. Strong candidates who have not yet earned a master's degree will be considered, and if selected, required to earn the appropriate credential within a reasonable period of time, consistent with their teaching duties.

The start date is negotiable and the position will remain open until filled.

For additional information regarding NUPOC: <https://www.nupoc.northwestern.edu/>

Please read ALL instructions and make preparations before proceeding to the application page:

- Applications will only be accepted via online submission (see link below).
- Please prepare all documents in advance as Adobe PDF files, and please be sure all information is entered correctly and accurately (especially names and email addresses), as there will be no opportunity for online revision after your application has been submitted.
- All required fields in the application form are marked with an asterisk and must be filled before clicking the "Submit" button.
- Be aware that incomplete applications cannot be saved.
